

This Christmas not everyone in our community has a roof over their heads, a loving family, food on the table or gifts under the tree...

We at the Christmas Smile Project believe that every child should receive a gift at Christmas. With your help we aim to provide gifts to put a smile on the face of each child living under very difficult circumstances within the local area. This year we will also be including adult and elderly residents who may be in difficulty or alone and without a gift this Christmas.

If you are able to provide a gift, please take it, **unwrapped** to your collection point by 5th December. A team will then collect, process, wrap and distribute the gifts in time for Santa's arrival.
