Christmas smile

Bringing Christmas to Telford, one smile at a time

"A really great way of getting into the Christmas spirit!"

"It's amazing to be part of this and so enjoyable working with likeminded people"

What do we do?

Christmas can be a challenging and lonely time. At Christmas Smile, we believe that everyone should receive at least one gift from Santa on Christmas Day.

We donate brand new presents to those in need of a smile, bringing our community together through small acts of kindness.

Our elves prepare and distribute special gift bags to local children, families and adults living in difficult circumstances.

Enabling the community to show its support and help neighbours in need, we also run volunteer wrapping sessions.

How do we do it?

Donation points are set up in schools, organisations, community groups, individuals homes

Referrals are requested from all the care giving organisations across our community

Donations are brought into our pop up Santa's workshop

Volunteers wrap and prepare gift bags

The gift bags are collected and distributed by the referrers
